

Nikki Guillory
Piano, Guitar, Flute, Violin

I have been teaching and playing music for 15 years and am thrilled to be involved with the amazing team at Village Music School. I am a graduate of St. Louis Catholic High School and earned a Bachelor's of Music Degree in piano pedagogy from McNeese State University, along with a certification from the McNeese Kodály program. I once taught classroom music at Our Lady Immaculate Catholic School from Pre-K 3 through 8th grade and also taught with the Francis G. Bulber Youth Orchestra in strings, guitar, music theory and ensemble. I sing with the Louisiana Choral Foundation Masterworks Chorale and have recently retired from their board of directors. I am an alumna of Sigma Alpha Iota women's music fraternity and have served on their board and am a member of the Lake Charles Piano Teachers Association where I head their annual Solo and Ensemble Festival. I currently reside in Moss Bluff with my wonderful husband who sings beautifully in tune and with our cats and dogs, who don't.
